

Iowa CACFP Child Care Center Parent/Guardian Letter - Non-pricing (front) 7/2020

Purpose: The attached Iowa Eligibility Application is used to determine eligibility for free and reduced price meal reimbursement. The instructions for completion are on the back of this letter.

Dear Parent or Guardian:

This center participates in the Child and Adult Care Food Program (CACFP) administered by the United States Department of Agriculture (USDA). Participants are not charged separately for meals. However, by participating in this Program, the center receives partial reimbursement for nutritious meals served to children. The amount of reimbursement the center receives is determined by the information you provide. Providing information can help your center purchase nutritious food. Higher reimbursement will be given to the center for meals served to enrolled children from families whose income is at or below the level shown in the chart below. Please read the instructions on the back, complete, sign and return the attached income application as soon as possible. An application that does not contain all required information cannot be used by the center. If required information is missing, free or reduced-price meal benefits will be denied. Call your center if you need help with the form. The information reported on this form will be filed and treated as confidential.

A foster child who is the legal responsibility of a welfare agency or court may be certified as eligible for free meals regardless of your household income. See instructions on the back for more information.

If you do not qualify now to receive free or reduced price meals, you may apply for benefits at any time during the year. If you have a decrease in household income, have an increase in family size, or have enrolled children that become eligible for food assistance or FIP, you may fill out an application at that time.
